

Inquiry and Orientation

Big Brothers Big Sisters serves young people from age six through young adulthood in one-to-one mentoring relationships. Bigs and Littles hang out 2-4 times a month for a few hours doing normal, everyday activities.

Each match is supported by a dedicated Match Support Specialist who is always there to provide resources and support specific to the Little's age. With a Big in their life, Littles in the Big Brothers Big Sisters program are empowered to ignite their potential as they grow in their self-esteem, engage in school, and interact in healthy relationships with a positive role model.
